

CASPIAN

Institutionalizing
crypto asset management

Institutional grade crypto trading platform

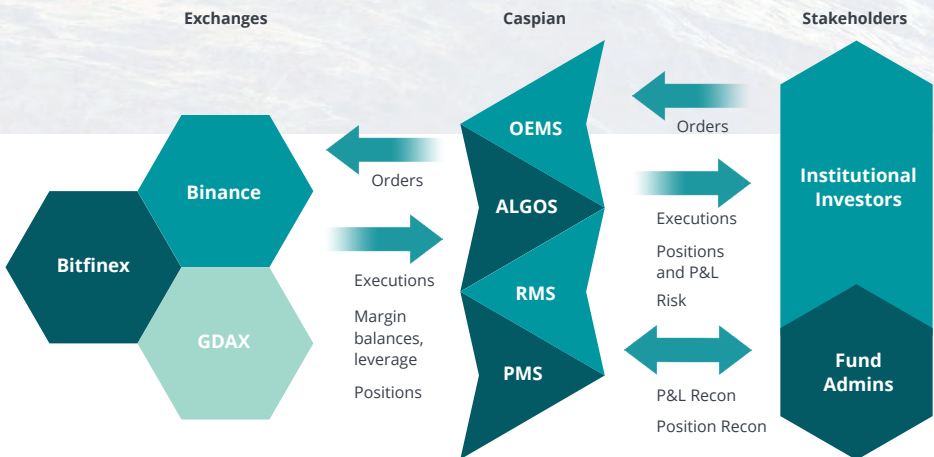

Our Services

Caspian is a full stack crypto asset management platform.

Our Solution

Caspian includes a fully developed OEMS, PMS, and RMS with compliance monitoring tools. It provides a single interface into all major crypto exchanges, a complete suite of sophisticated trading algorithms through a Smart Order Router, real-time and historical P&L and exposure tracking, and 24/7 customer service.

Joint Venture Powered by

Tora's leading OEMS global trading platform
